Gwyn Moxham

Avid / Premiere/ FCP Editor

Profile

Gwyn is a highly skilled TV and film editor, with experience in documentary, live music, entertainment, drama, animation & commercial projects for broadcast and cinema. He has a particular passion for stories that evoke change in the world.

His excellent sense of timing and rhythm, meticulous eye for detail, and strong creative flair make him an asset to any production. Gwyn is technically adept and always eager to learn new software. Responding quickly and professionally to new challenges, he is tactful and sensitive to the needs of producers, directors and fellow editors. A meditator and yogi, he brings a sense of calmness and positivity to any post-production team.
